Advance Certification Course in Japanese Language (July 17-20)

Sai Balaji Education Society organized a 4 days webinar of advanced certification course in Japanese language. The webinar was conducted by Prof. Sangeeta Rajput Mr. Sotaro Ueda, Ms. Sasaki Yoko. The webinar took participants to the journey of Japanese language where the participants got to understand grammar of Japanese language, greetings, and Japanese counting system etc.

Mr. Sotaro Ueda and Ms. Sasaki Yoko explained about different Japanese festivals, seasons and national holidays of Japan. Curious students posted many questions to the speaker and the speakers answered them all to the satisfaction of students. It was a great learning experience for all as students got an opportunity to listen to the facts about the country directly from the source.

SAIBALAJI GROUP OF INSTITUTES

DATE:- 13th - 16th July, 2020 | TIME:- 02:00PM TO 5:00PM

R programming is very important when it comes to statistical analysis and data science, Artificial Intelligence, Machine Learning and Analytics. Thus it is important for management students to gain knowledge and develop comfort with the new age technology. Keeping in mind the demand of time, IIMS organised a 4 days certification course on the subject which took students to the journey of tech world. The resource person Dr. Vinod Kumar Murthi, Country head India IOA (Institute of Analysis) explained the concepts to the depth. The 4 days program got overwhelming response from students from all over the country.
