Induction Sports Competition

Date: 5th July 2016

For many people around the world, sport and play are immediately and inextricably tied to the notion of childhood. Through play children explore, invent and create. They also develop social skills, learn to express their emotions, and gain confidence about their own capabilities. For many children, however, the chance to learn and grow through sport and play is unavailable, robbing them of some of the most important experiences of childhood

Playing **sports** help in strengthening the immune system, maintaining physical coordination, enhancing body strength and improving mental power. Playing **sports** on regular basis helps in character and health building of any person. International Institute of management Studies believes Sports and games can be a great lesson in **time management** and they provide the spirit of competition that drives them to give extra effort. During Induction Program new batches are given multiple opportunities to showcase their talent as well as strengthen themselves physically and mentally for the new world challenges waiting for them.

IIMS organises many sports competitions every year during its induction function.

Games:

1. Football
2. Cricket
3. Basket Ball
4. Tugg of war
5. Carom
6. Badminton
7. Chess etc.

Students are distributed in different teams and the games are played under supervision of our Faculties Prof. Israr Ahmad, Prof. GirishChavhan and Dr.NitinRanjan.

Vista 2k17 Sports Competition

Date: 29 Feb 2017

In sports, character, value, physical and mental strength are all challenged in a short span of time. Sports can tell us a lot about ourselves as individuals and as a society. Sport not only helps keep you healthy and fit but also plays an important part as a recreational event. Sports shape the character of a person significantly. Concentration, alertness, team-work, focus and leadership are some of the skills that sport teaches anyone. Sports develop and encourage the spirit of healthy rivalry and competition. They teach us coolness, courage and self-control. It inculcates team-spirit, a sense of comradeship and discipline. A sportsman has to obey his captain and accept the judgment of umpires and referees. He learns to place the interests of the team above considerations of self. Thus, sports play a vital role in imparting complete education. Also it breeds the sportsman spirit which enables everyone to accept failure and defeats in a positive way and learn from such events.

The SBES Group celebrates its Annual Fest Vista every Year under this flagship program of IIMS various sports competitions are organised by the sports department. The Finale was on 27th Feb. 2017. Induction Sports Competition

Date: 5th July 2019

Playing **sports** help in strengthening the immune system, maintaining physical coordination, enhancing body strength and improving mental power. Playing **sports** on regular basis helps in character and health building of any person. International Institute of management Studies believes Sports and games can be a great lesson in **time management** and they provide the spirit of competition that drives them to give extra effort. Through sports students learn to respect authority and rules. Sport increases self-esteem, mental alertness and it reduces stress and anxiety.

During Induction Program new batches are given multiple opportunities to showcase their talent as well as strengthen themselves physically and mentally for the new world challenges waiting for them.

IIMS organises many sports competitions every year during its induction function.

Games:

1. Football
2. Cricket
3. Basket Ball
4. Tugg of war
5. Carom
6. Badminton
7. Chess etc.

Students are distributed in different teams and the games are played under supervision of our Faculties Prof. Israr Ahmad, Prof. girishChavhan And Dr.Nitinranjan.

Induction Sports Competition

Date: 5th July 2018

Games always enhance the abilities and skills and develop students challenging spirits. It helps us in the development of a healthy mind and fit body. It is truly observed that a healthy mind resides in a healthy body, so games should be practised on a regular basis among all the students
