

INTERNATIONAL INSTITUTE OF MANAGEMENT STUDIES (IIMS)
Approved by AICTE, Ministry of HRD, Govt. of India

Consulting & Management Development Program Policy

Introduction

Consulting and Management Development Cell of IIMS operates with the larger objective to share management systems and practices with the industry and assist in taking forward industry objectives through consultancy assignments. The aim is to bridge the gap between industry and academia.

IIMS develops and organizes customized programs based on specific requests. MDP programs are attended by executives across all levels, ranging from Sales Managers to CEO's. IIMS aspires to conduct consulting assignments and training for **sectors** such as Manufacturing, Banking, Hospitality and other service industries.
