

3.3.1 Institution has created an eco system for innovations including Incubation centre and other initiatives for creation and transfer of knowledge

International Institute of Management Studies provides platform for excellence in Academic, Innovation and Research. IIMS takes initiative to create environment of continuous industry academia interface by conducting conclaves and inviting CEOs, CFOs, Presidents, start-up entrepreneurs, established entrepreneurs, family business owners to transfer knowledge to the students to widen their horizon.

To develop the research and innovation aptitude among the faculties and students institute provides financial assistance as well as organises several conferences, conclaves and FDPs. The institute promotes internships (Winter & Summer), in second and third semester. Live Projects are conducted for students of marketing and retail specialisation students. Social Projects to infuse more practical orientation to the curriculum. IIMS has installed an Incubation centre for Entrepreneurship skill development to provide a platform for budding and passionate student entrepreneur to shape their creative ideas into business ventures. The objective of incubation centre at IIMS is to provide physical space, seed funding, alumni support and mentorship among others.
