

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

Response:

Institute regular updates its IT facilities including Wi-Fi at Periodic Intervals. Recently we have increased internet bandwidth from 72 Mbps to 150 mbps. Computer Lab with latest Software and Internet facility is available to the students. Practical sessions are allocated within the timetable to ensure optimum utilization of the Computer lab. Students are given the time slots for Practice.

The IT department reviews and analyzes the condition of the computers in the Institute to facilitate and decide the type of up gradation required. Hardware and software up gradations are in line with the demand of latest syllabus as well as student feedback. The Institute purchases new edition of computers as and when required. In the annual budget adequate provision is made for the same.
